DOWNWARD COURSE

Fast Being Realized by Honolulu People.

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders quickly follow; Diabetes and finally Bright's disease.

This is the downward course of kidney ills. Don't take this course. Follow this advice.

Rev. J. Nua of Kawaihau, Hawaii, says: "I suffered from kidney trouble for twenty years and I believe it was the result of heavy lifting. Pains in the small of my back were one of the chief symptoms of my complaint, and I was unable to get relief, though I consulted several physicians and used numerous remedies. Finally I heard of Doan's Backache Kidney Pills and procured them. I am so well pleased with the results of a short use that I always intend to keep a supply of this remedy on hand."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50), or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Remember the name, Doan's, and take no substitute.

NO OPIUM IN CHAMBERLAIN'S COUGH REMEDY.

There is not a particle of opium or other narcotic in Chamberlain's Cough Remedy, and never has been since it was first offered to the public. It is as safe a medicine for a child as for an adult. This remedy is famous for its cures of colds and croup, and can always be depended upon. For sale by all dealers. Benson, Smith & Co., agents for Hawaii.
